Wollemi Pines can be planted as a feature in large gardens or retained in tubs as patio and indoor plants. They are fast growing in open sites and prefer acid soils with good drainage. It is a versatile and hardy plant that will survive in temperatures from -5 to 45 degrees Celcius.

I understand that the timing of the Wollemi Pine's market release is:

- Exhibition of Pine at Rathbone Lodge Sydney RBG 14-23 October 2005
- Sotheby's global auction of 292 Collector's Edition Wollemi Pines 3PM 23 October 2005
- Retail pricing announced 1 November 2005
- FIRST ORDERS TAKEN 14 November 2005
- TREES AVAILABLE from 1 April 2006
